**NEW ADDRESS!** 1280 John A. Papalas Dr, Lincoln Park, MI 48146 PAGE 1

Although this has been a mild winter, to say the least, it's still time to look forward to the spring and summer. These are usually the best time for us to run some new and exciting trips and this year is no different. With the rising cost of hotels and transportation, TTT has looked for new ways to keep our prices the lowest in Southeast Michigan. We definitely found some great bargains and forged even deeper relationships with some of our vendors to save you money. Now because of these low rates there are a lot of trips in this mailer that are limited to only one motorcoach. So please book early and make sure to get your deposits in because you're not going to want to miss these trips at these rates. You'll also notice that, due to your requests, we have a lot more extended tours than usual. Please make sure to take advantage of all of our early booking fares. These fares won't last long so get them while you can.
