## IMPORTANT PLEASE READ:

Hello Valued Traveler,

We here at Travel Treasures and Tours are so excited to be back. This is our third update to the tour schedule since being back. As promised we are continuing to add trips to our schedule and we aren't stopping anytime soon. We will be adding more trips as we finalize and book everything with the vendors. As trips are finalized we will keep adding them to the website, sending our "push" web notifications, and sending out emails to get the information you need. This is how new trips will be advertised for the foreseeable future. Even before the pandemic TTT was looking to get away from the physical mailer being sent out for many reasons. These include cost, lack of flexibility, delays in getting updated info out to you, lost mail, & much more. Although there is a possibility we will send one more physical copy of the list of trips out sometime next year. The first option is to sign up for our email list. This can be done on the website under the "Deals" tab at the top of the page. The next option is to visit our webpage. You can visit the website anytime you want but if you sign up for our "push notifications" you will be alerted after a trip is added or updated. All you have to do is hit that bell at the bottom of the page and accept notifications. As a reminder you can also book and pay online when visiting our website. Finally, if you don't like all the online stuff, you can give us a call and we would be more than happy to go over trips with you.

We also want to remind everyone that we are requiring masks to be worn during the entire duration of every motorcoach ride. This is required for all individuals regardless of vaccination status. We hope everyone understands. Below is our current list of trips. Don't hesitate to call if you have any questions. Again, we can't stress enough how much we appreciate each and everyone of you. **We are so excited to be back.** Hope to hear from you all soon.
