Hello Valued Traveler,

HAPPY NEW YEAR! With 2021 behind us TTT is looking to the future. We are working hard to get 2022's lineup of trips done. As you can tell we have been working on some of the bigger trips to give people more time. This list should include all the trips we are going to have for January, February, and March. We have a couple for April and beyond but will have more in the next couple of weeks. With us getting more trips out earlier you will start seeing the Early Booking Rate come back. Please note that to have your space saved on a trip a deposit must be paid. Without monies down, no seat will be reserved. The final payment is due 30-45 days prior to all of our motorcoach trips. To receive the early booking rate you must pay the deposit when booking and the final payment paid 30-45 days early (depending on the trip). If possible, please book any overnight trips you are interested in as early as possible. With so many new staffing changes, many of these places aren't giving us the same courtesies we've been able to take advantage of for years. In other words, last-minute bookings may not be an option like they have been in the past. However, that doesn't mean we can't try. We are very excited to finally be back and looking forward to our first full year back since the beginning of the pandemic.
