

Travel Treasures and Tours Presents:

CHICAGO

Sightseeing Overnighter

The Chicagoland area offers a wide variety of shopping experiences, from upscale boutiques to discount outlet malls, and everything in between. The primary shopping strip in the city is the Magnificent Mile, which runs along north Michigan Avenue from the Chicago River to Oak Street. Here you'll find department stores such as Bloomingdale's, and Nordstrom, home furnishing retailers such as Crate & Barrel and Pottery Barn, jewelers such as Tiffany and Van Cleef & Arpels, big name apparel retailers such as Gap, Banana Republic and Ralph Lauren, plus a host of boutiques and specialty shops. The Magnificent Mile also features indoor shopping malls, such as Water Tower Place and 900 North Michigan Shops. State Street is another major shopping destination, with Marshall Field's and Carson Pirie Scott being the main department stores.

The health and safety of our travelers and employees has always been paramount to our company. TTT will continue to monitor the current pandemic situation and will follow any guidelines, mandates, regulations, laws, and recommendations to the furthest extent possible while maintaining operations. At this time we are only requiring masks during the duration of the motorcoach trip. Each location/destination we visit will have its own rules that must be followed. At this time TTT does not require proof of vaccination and hopes to continue not requiring this. However, TTT reserves the right to introduce and implement any policies it sees fit. This may include proof of vaccination or COVID testing. Although very unlikely, if this does become a requirement a customer can opt out of the trip for a transfer as long as TTT is notified within a reasonable time of implementation of the new requirements and there are no expenses incurred such as tickets, hotel, meals, etc. Please call us directly at (313)292-6300 for further information. We appreciate your understanding.
