IMPORTANT PLEASE READ:

Hello Valued Traveler,

We are so happy to have even more trips to share with you today. And per many requests we have added quite a few sightseeing trips. We still have all your favorite overnight and casino day trips but we've had a lot of people calling asking for more sightseeing trips and so we obliged. Now even though this mailer is now covering trips through October, we don't want you to look too far in the future. We still have so many fun summer tours to join. With that said please book early. We are selling out multiple coaches on some trips. This has been possible in the slower charter season. However, as things pick back up with the charter motorcoaches, sending multiple coaches will become harder and harder to do. If you see a trip you like, give us a call so we can tell you if it's selling out. We can't always predict but we should be able to let you know how it's currently looking. And like always, if you want more details about a trip, you can call OR visit our website. Thank you for your patience and we can't wait to see you on a tour soon.
