## IMPORTANT PLEASE READ:

Hello Valued Traveler,

It's been a great summer with more and more people deciding it's time to get back to traveling. We know the days are winding down but that doesn't mean that the fun is. There are still plenty of great trips to join us on. With the Fall upon us it may be your last chance to get on some trips that won't be back until next spring. This mailer will cover trips from September through November. Please note that some trips in this mailer are almost sold out already so booking early is imperative. We've had several people in the last couple of months, upset that they didn't get on a trip in time. We want to emphasize that it is very important to book (online or over the phone) as soon as you know you want on a trip. This is especially true on overnight trips that are as difficult as ever to add last minute rooms. This doesn't mean we won't try but with new staffing our hotel relationships aren't as strong as they once were. We'll definitely build new relationships down road, but for the time being please book early.
