IMPORTANT PLEASE READ:

Hello Valued Traveler,

We hope everyone had a great Christmas and a Very Happy New Year. We may be naive but we have hopes that 2023 will be the year we can start doing all the trips you are used to. As of now, there are still several locations not accepting groups but we hope that will be changing too. I do want to mention that if you call and do NOT get an answer, PLEASE leave a message. We are open 9-3 pm (or later) every day. We love customers calling but unfortunately, it seems like all the calls come in at once and we can only answer so many calls at once. If you leave a detailed message we will get back to you.

Finally, Please make sure you get you and your friends on our email list. Now is the best time to talk to them because we really do plan on putting a lot of trips out in the next 2 weeks. By the end of the month, we should have another mailer with most of May and some of June's trips.

There are 4 main ways to find out about our trips.

1. Word of mouth - We appreciate each one of you who has told friends about TTT, who in turn have told other friends, and so on and so on. All of you, are who help make TTT what it is today and we can't thank you enough.
2. Visiting our Website – This is the best way to get a ton of details on a particular trip. The only downside to this is you have to keep coming back over and over to check if a new list of trips is complete. To limit this, we highly suggest getting on our email list.
3. Email – This is one of the best ways to find out about our trips. We ALWAYS send out an email when we get a new list of trips set up. Down the road, we may have even more things coming through email like specials and discounts.
4. Push Notification – This is also a great way to find out about our trips. This is probably the best of both worlds because you will get a notification when a new list comes out about specific trips. However, the downside to this is if you are busy when the notification comes out. You can't really save it for later. That's really why it's best to make sure you and your friends are signed up for the "newsletter" AND the Push Notification.

To Sign up for the push notification please click on the little below in the bottom right-hand corner when visiting our website. Once you do that you will want to click "ALLOW" to receive notifications. It's really that simple. Then you will receive a notification when a new list of trips is added to the site AND when we "push" a specific trip or special deal. Please know that even with all the ways to find out about our trips, we are just a phone call away if you have questions or need anything. Thank you so much, and look forward to sending out more trips soon.
