Hello Valued Traveler,

With February underway and Valentine's Day right around the corner, love is in the air — and what better thing to fall in love with than a year full of travel? 2026 is already taking shape with a wonderful mix of familiar favorites and exciting getaways! Whether you're planning a special outing with someone close to you or simply looking for something to brighten the winter days, there are plenty of trips ahead to capture your heart.

Valentine's Day is often about celebrating the people and experiences we cherish most, and travel has a special way of bringing both together. A day trip can turn into shared laughter with friends, an overnight getaway can become a new favorite tradition, and even a simple ride down the road can create memories that last long after the season passes. As the days grow a little brighter and we begin looking ahead to spring, now is the perfect time to treat yourself — or someone you care about — to something special on the calendar.

A quick reminder that Southgate continues to be available as a pickup location on our trips. February departures will still be confirmed on a trip-by-trip basis, and our goal remains to have Southgate fully established as a regular pickup location by springtime. We truly appreciate your flexibility as we finalize those details and are happy to continue offering this convenient option to help make your travel days even easier.

We're so grateful for your continued support and the trust you place in us year after year. Whether you're traveling with a sweetheart, a best friend, or enjoying a little well-deserved time for yourself, we can't wait to share another season of smooth departures, wonderful destinations, and plenty of moments to love out on the open road.
